### FOOD SAFETY & ALLERGENS:

Menu items are cooked to order. The FDA advises consuming raw or undercooked meats, poultry, seafood, shellfish or eggs may increase your risk of food-borne illness, especially if you have certain medical conditions. We openly handle several allergens throughout our locations, including dairy, soy, tree nuts, (e.g., almond, coconut, etc.), egg, wheat and others. While we take precautions to keep ingredients separate, we cannot guarantee that any of our beverages or food items are allergen-free as we use shared equipment to store, prepare and serve. Before placing your order, please inform your server if a person in your party has a food allergy.
